**Subject:** 2024 MIT URTC - Technical Paper Notification

**Date:** Monday, 2 September 2024 at 4:07:28 PM Singapore Standard Time

**From:** Microsoft CMT

**To:** Aayush Pandey

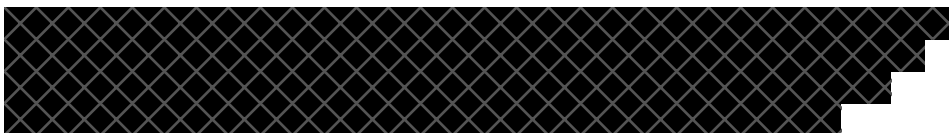

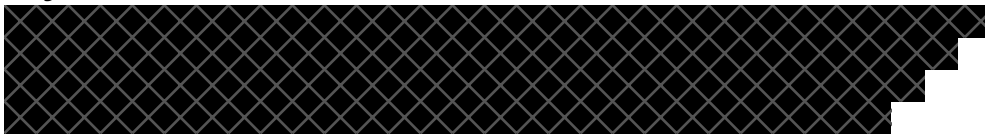

Dear Aayush Pandey,

Congratulations! Your paper submission ID-250 "Engineering Advanced TiO<sub>2</sub>-nanoparticle Photocatalytic Systems for Efficient Methylene Blue Industrial Dye Degradation" has been accepted for presentation at the 2024 IEEE MIT URTC (Undergraduate Research Technology Conference).

Your paper needs to be presented at the conference (either in-person at MIT or virtually online) in order to get published in the IEEE Xplore Digital Library. Hence, you have to register (with a fee) to attend the conference. However, the registration site is not ready yet. IEEE Boston Section said it would be ready by Friday, September 6, 2024.

Once the registration site is setup, I will email you with the link to register. Please note that at least one of the authors of each paper must register in order to present at the conference. Each author of the same paper needs to register if she or he wants to present. In other words, all the authors of the paper need to register if they all want to present the same paper together.

Registration Fees:

The registration fee includes all meals and full access to programs/activities at the conference. Accommodation and travel will be your own expenses.

Next Steps:

1. To register for conference (by September 14, 2024)
2. To fill and submit IEEE eCopyright (by September 21, 2024)
3. To create the PDF of your paper using the IEEE PDF eXpress (by September 21, 2024)
4. Upload your "Camera-Ready" paper to CMT (by September 21, 2024)  
"Camera-Ready" = Final Revision for publication at IEEE Xplore.

While pending to receive my next email with the registration link, you can work on your "Camera-Ready" paper. If your paper is "Camera-Ready", you can go ahead to submit/upload to your CMT account.

All papers presentation will be scheduled on October 12, 2024 (Saturday), and the paper presentation schedule (list with registered authors) should be available by September 29, 2024.

Sincerely apologize for the delayed notification, as we have received record

high number of papers this year, and the review process took longer than expected. For any question, please email me. We are looking forward to meet you at the conference. Once again, Congratulations! Thank you.

Best Regards,

SOON :)
